

Snaking Columns with Different Column Gaps

Example 1: No Gap (columnGap: 0)

Columns are adjacent with no space between them.

Example 2: Small Gap (columnGap: 10)

A minimal 10pt gap between columns.

Example 3: Default Gap (columnGap: 30)

Standard 30pt gap - good for readability.

Example 4: Large Gap (columnGap: 60)

A wide 60pt gap creates strong visual separation.
